Brookland Baptist Church Celebrates Women's History Month

Women's History Month is a celebration of women's contributions to history, culture, and society, observed annually in the month of March in the United States since 1987. Women's History Month 2022 celebration will take place nationally from Tuesday, March 1-Thursday, March 31, 2022. The National theme this year is: "**Women: Providing Healing, Promoting Hope**" is both a tribute to the ceaseless work of caregivers and frontline workers during this ongoing pandemic and a recognition of the thousands of ways that women of all cultures have provided both healing and hope throughout history.

Women as healers date back to ancient times. The gift of hope transcends possibilities to the future generations. Together, the provision of hope and the promotion of healing will bring about healing for our nation and the world!

History of Women's Month

The month-long commemoration started with Women's History Day in 1978, organized by the school district of Sonoma, California.

Hundreds of students participated in the essay competitions. Many presentations were given, and a parade was held in Santa Rosa. The idea caught on. A few years later, school districts, communities, and organizations all over the country were celebrating the day. In 1980, the National Women's History Alliance championed for the holiday to be observed as a national week, and this was backed by President Jimmy Carter, who issued the first proclamation declaring the week of March 8 as National Women's History Week.

Brookland Baptist Church Celebrates Women's History Month

The following year, Congress forwarded a resolution establishing a national observance. Six years later the expansion of the events to the month of March was successfully petitioned by the National Women's History Project.

Brookland's celebration of Women's History Month began in March, 1998 to honor the many significant contributions women have made in the world and in the faith-based community. We are honored to celebrate with you again this year, and we thank you.

I believe the greatest "thanks" we can offer these caregivers and frontline workers during this season is to stay safe, care for yourself and your neighbors, wear your mask, and finally, get VACCINATED. Then we will be able to see each other's beautiful smiles that have been hidden behind face cloths and N-95 masks far too long.

Reverend Betty H. Brown
